Dear Eric:

Here are the copies which you requested. I hope they prove useful. As I mentioned over the telephone, we have not really refined the paper money headings as of yet. The problem with subject headings is that they can never be completely refined. New headings pop up, old headings need further subdivision based on volume of material, etc.

Wishing you all the best, I am

Sincerely yours,

Dear Frank:

Thank you very much for the portion of the subject index which you prepared.

I will study it to see how it fits into our library. You were very nice to share your work with us even though it is in preliminary form.

Keep up the good work.

Sincerely,

Eric P. Newman
